## AISP's Mission

The mission of AISP is to organize exclusive company visits, **providing all members with information and opportunity to network in a smaller, more comfortable environment;** coordinate rich technical workshops; and **establish a fun professional organization within the Wisconsin School of Business.**

## AISP's Vision

We are a Wisconsin School of Business organization that will provide everyone **interested in business and technology** the **opportunities, experiences, and confidence** needed to be **successful in today's market.**
